

START-UP PACKAGES

2017

The start-up packages presented are typical opening orders for snow ball entrepreneurs. The Southern Snow® product catalog has many accessories such as signs and dispensers that are not listed in either package. There is no need to overload on supplies. Southern Snow® ships 99% of orders complete with no back orders within 24 hours. Package #2 has the obvious advantages of the SNO-BLOCK® ice block maker. The SNO-BLOCK® produces cost-efficient ice that provides self-sufficiency to the snow ball operation.
